statement of claim

C. On Jan 19th Plaintiff was an Inmate at The Vermillion County Jail. On the above mentioned date Defendants Moran and Keltz accused The Plaintiff of Violating multiple Jail rules, among them rule 214 intimidation, rule 360 Unruly/rowdy conduct, 348 insolence, Vulgarity towards staff. The Defendants wrote these allegations on a "informal write up" or "Informal Conduct Report" on the same day, and moved The Plaintiff to Isolation/Segregation and took his chirping device. On The "Informal Conduct report" The proposed sanctions were Isolation indefinitely (i.e. Segregation) and disciplinary chimp restriction for 30 days. The Jail Rules allow for informal conduct reports to be used only if the accused inmate agrees to the sanctions and ~~and additional~~

"Unconditionally waive my (his) right to a hearing, presentation of witnesses, and other evidence, assistance of a lay advocate, impartial decision maker, confrontation and cross examination, findings of fact and appeal" parenthesis added. On the 19th of January 2025 The Plaintiff refused to sign The "Informal Conduct Report" and communicated my willingness to exercise my right to a hearing, etc. The Defendants Moran and Keltz said they would impose the suggested sanctions no matter what. The Plaintiff did regarding The "Informal Conduct Report". Defendant Keltz documented my refusal to sign. Defendant Miller then signed The Report as well and instructed The rest of the jail staff to similarly enforce the disciplinary sanctions on The Plaintiff. These sanctions were imposed as follows - Plaintiff was in Isolation/Segregation from Jan 19th - Approx Feb 1st 2025, Chirp restriction for 30 days from Jan 19th - Feb 20th 2025. These events took place at The Vermillion County Jail in Indiana. The Defendants took these actions with the intent to cause pain and suffering to The Plaintiff in order to chill his right to free speech under the First amendment and article 1 sec 9 of The Indiana constitution, and with the intent to retaliate for Plaintiff using protected speech in ways that upset The Defendants while they were moving The Plaintiff to Isolation/Segregation. The Defendants knowingly and intentionally deprived the Plaintiff of his right to due process under The 14th amendment and I.C. 11-11-5-5. On Jan 22nd The Defendants C. Moran, T. Keltz, and J. Miller Conspired to violate The Plaintiff's rights, again, under the Color of law. When The Plaintiff was moved to disciplinary segregation/isolation Block-B, The Plaintiff used a cleaning rag to wipe a window in the day room. Upon wiping the window The Plaintiff resumed life noticing no unusual circumstances other than his segregation and chirp restriction. On Jan 22nd, 2025 Defendants C. Moran and T. Keltz entered the block observed the block window and ordered that I lock down in my cell. I was told I was on lockdown for disciplinary reasons. Later I recieved another "Informal conduct report" signed by C. Moran with information provided by T. Keltz. Keltz claimed falsely that he had previously instructed The Plaintiff "not to touch the window". The report accused The Plaintiff of "Destruction of County property" no Jail rule violation was cited, no hearing was held, no due process was given to the plaintiff at anytime whatever, yet The Plaintiff was held in Cell confinement/lockdown for 3 days as the "informal conduct report" said he would be.

Page 3.

When I asked Other Jail employees to stop imposing these sanctions on me without a finding of guilt, they informed me that "Jim" IE Defendant Miller gave orders to impose the sanctions without due process. The Plaintiff did not waive his rights as outlined in 11-11-5-5 and was thus deprived of his 14th amendment due process rights by way of The Defendants Miller, Morany, and Keltz conspiring to do so. The actions of The Defendants were performed with malicious intent, to deprive The Plaintiff of his 14th amendment rights to due process before the imposition of any punishment, a right created by I.C. 11-11-5-5. The aforementioned events took place at The Vermillion County Sheriff's department. The Sheriff M. Holtkamp is responsible for ~~his employees actions~~ his employees actions and the Plaintiff's suffering of a ~~deprivation of rights as he was at all times~~ responsible for administering The Plaintiff's incarceration.
